Trendy Entertainment

Publisher:

Trendy Entertainment

Release Dat

Minimum:

OS:Windows XP

Processor:1Ghz Dual-Core CPU

Memory:1 GB RAM

Graphics:Shad

English

not worth it. Aquanos, can't write anything new as written before - Eternia DLC have great maps, lovely details and everything and great boss.. Best map to use to power lvl and to mana farm in the game as long as you know the right build for it and know the multipliers for extra XP.
