About This Content

Watch out! There's no time to celebrate, we sank only a small part of the enemy fleet! The battle could begin at any moment, and we're in need of your steady hand and st 5d3b920ae0

Title: Iron Sea - The West Coast
Genre: Casual, Indie, Strategy
Developer:
Creobit
Publisher:
8Floor
Release Date: 23 Sep, 2016

English,Russian,German

Donu00b4t buy this.Itu00b4s unplayable. When i click on the first Mission it crashes.The main game is good but the DLC is a disaster.. game crashes in the middle of a specific mission no matter what. So, avoid buying it as it seems very improbable that the deal-breaking bug will be fixed.. game crashes in the middle of a specific mission no matter what.
