About This Game

Ahoy maties! Get ready to steal and plunder your way to victory in **Unearned Bounty**, a pirate-packed Free-For-All multiplayer naval combat game.

Infamy

The most infamous pirate comes out ahead in Unearned Bounty! Target the 1st place ship who has the golden skull for more bounty and gain recognition for your great feats while avoiding those bilge rats in last place who have little to their names.

Social Skill based combat

Me drunk mother shoots better. Knowing how to aim straight is as important as who and when to target others. Pick from our selection of ships their own unique ability and style of play.

Wrapping Map System

Pirates know no bounds! Sail indefinitely and you'll always be close to the action Pac-Man style without being pushed up against the edge or scallywags hiding in a corner.

Developers are passionate about feedback and are part of the community

We have an active discord where we listen to our community for feedback and suggestions, integrating chat directly into the

game. We'll have constant updates to the game, adding more ships, maps, modes, and flags as we progress through Early Access and beyond.
